# SO WHAT'S THE POINT?

As industry leaders how does technology give us the ability to affect change in the workplace?

HUMAN EXPERIENCE

OPTIMISING ASSETS AND  
MAXIMISING PRODUCTIVITY

TRANSFORMING  
WORKPLACES AND CUSTOMER  
EXPERIENCE

PROTECTING PEOPLE  
PROPERTY AND ASSETS

ACCELERATING THE PATH  
TO NET ZERO

And drive transformation to benefit all?

REDUCTION OF REPETITIVE  
TASKS

DRIVE EFFICIENCY AND  
PRODUCTIVITY

IMPROVE USER EXPERIENCE

REDUCE CARBON IMPACT

RETAIN AND ATTRACT  
TALENT

# A LOOK AT SKY AND WHY WORKSPACE IS SO IMPORTANT TO US

## ✔ WHAT WE'RE HERE TO DO:

Sustainable spaces our colleagues love

## ✔ WHAT WE'RE ALL ABOUT:

Sky Spaces create environments and experiences for you to work, connect and thrive

## ✔ WHAT WE CARE ABOUT:

**Work:** Adapting to changing business needs to thoughtfully deliver what's needed for colleagues to do their jobs well

**Connect:** Providing and managing experiences and spaces our colleagues love to shout about, feel good in and where they can innovate, connect and do their best work.

**Thrive:** Our spaces and experiences give people a sense of pride, purpose and ease, so they can get things done seamlessly and sustainably.

# QUESTIONS

## QUESTION 1

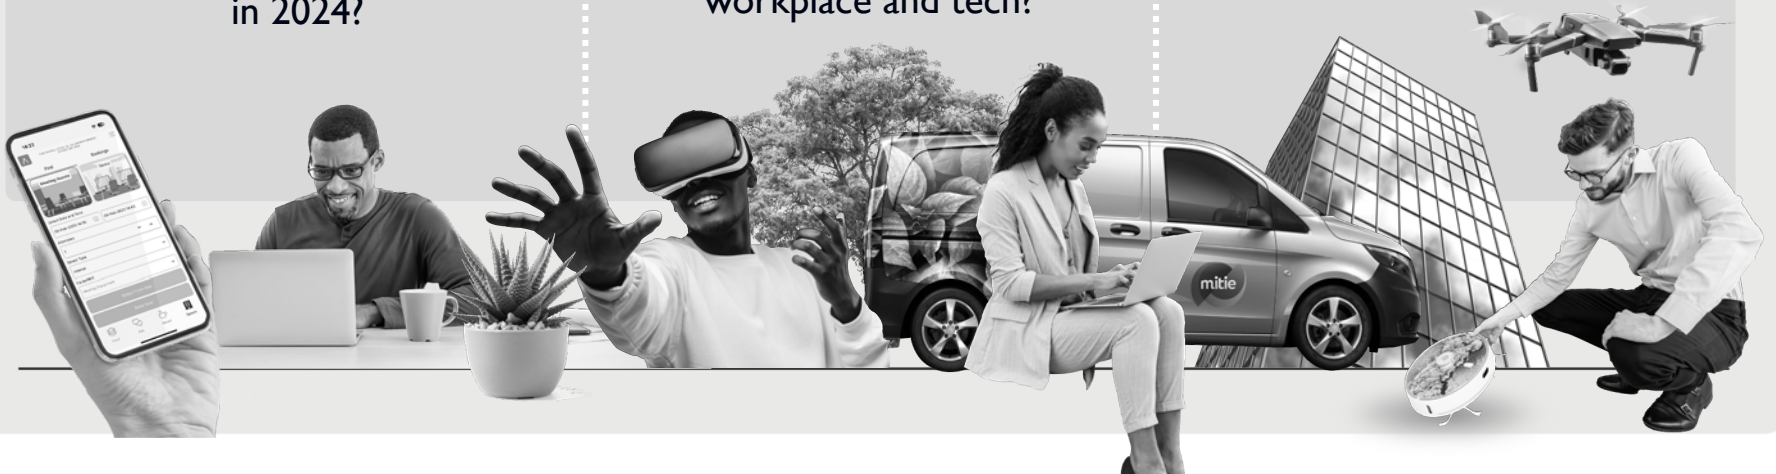

As a Workspace professional, what is your biggest challenge in 2024?

## QUESTION 2

How do you intertwine sustainability in the strands of workplace and tech?

## QUESTION 3

Do your workspaces meet employees' cognitive needs?

# QUESTION 1

“As a Workspace professional, what is your biggest challenge in 2024?”

# QUESTION 2

“How do I intertwine sustainability in the strands of workplace and tech?”

# QUESTION 3

“  
Do your workspaces meet employees’  
cognitive needs?  
”

**THANK YOU**
